

# Monoclonal Antibody (Kape cell mouj) Uno ñan COVID-19

**Ta e?** Monoclonal antibody (Kape cell mouj) (mAb) uno ej jiban e system in immune eo am nan jiban eok irre ippen naninmej in COVID-19 koba lak ippen antibody ko am. Ej jiban bobrae ikijen naninmej lap ak mej. Uno ko ej jot wawein ko eman aer jerbal nan bobrae ak kadiklak naninmej lap kin naninmej in COVID-19, ako mAb uno emaron jiban juon armij eo ej kab moj ba lak ke ej naninmej in COVID-19.

**Emaron ke jiban e na?** Uno ej emoj kakwone nan armij ro enij jiban ir elaptata jen e. Kwemaron in tobar nan monoclonal antibody uno ne emoj am teej positive nan COVID-19, im kwoj bed ilo juon kauwatata eo elap nan naninmej lap, emotoot lak jen 12 yio, **im emoj an 10 raan ak diiklak jen eo kakolle ko am rekar jinoe.** Lale [coronavirus.utah.gov/noveltherapeutics](https://coronavirus.utah.gov/noveltherapeutics) im jiped e **Risk Score Calculator (Kein lale Joñan Kuawatata)** nan lale ne uno in emaron in jiban e eok.

**Naat imaron in boke?** Uno eo eman tata an jerbal ne ej mokaj am boke, ne emokaj lak eman lak. Ej aikuj in iwaj 10 raan mokta jen an kakolle ko jinoe ilo naninmej eo emoj an jinoe. **Lale jonan kuawatata mokta jen am boke COVID-19, kojerbale e Risk Score Calculator (Kein lale Joñan Kuawatata) ñian lale ne uno in emaron in jiban e eok (loe ilo [coronavirus.utah.gov/noveltherapeutics](https://coronavirus.utah.gov/noveltherapeutics)) im boke juon teej in COVID-19 ilo ien eo emokaj.** Ne emoj an positive teej eo am nan COVID-19, jino an mokaj am jerbal e.

**Ewi wawein ad lewaj?** Uno eo ej iwaj nan eok ilo juon intravenous (IV) ilo elon case ko, ak kin juon need ej drelon e iram. Ej bok ruo awa nan boke uno eo. Ro wot ewor aer melim, im emoj aer katak remaron in lewaj uno in.

**Ej ke kejbarok?** Aet, mAb uno ko emoj aer tobrak jen Federal Drug Administration (Ra eo an Bok Eddo in Drug, FDA) ippen juon Emergency Use Authorization (Melim nan Kojerbale ilo ien Jidimkij, EUA), im emoj kwalok ilo ien kamelmel ilo clinic bwe en kejbarok im eman an jerbal. Men ko rej walok tokelik ej koba ippen: metak, botoktok, ak kurar ilo ijo needle eo ekar drelon ilo iram, malonlon/bidodo, metak bar, adiboulol, ak ebenejnej kilim.

**Ia eo imaron bok jen e?** Kobalak ippen elon clinic in jikin ejmour ko rej leewaj mAb uno (im remaron in ba ewor wonaan), ewor emen bar jikin ej jerbal ippen-state ak partner im komaron in boke uno ilo ejelok wonaan. Jikin kein rej bed ilo Davis County, Murray, Orem im St. George. University of Utah Health and Intermountain Healthcare (University eo an Utah Health im jikin ko ilo Intermountain) rej bar ejelok wonaer nan rinaninmej. Nan uno an ajiri yiio 12-15, email [Pediatric.MonoclonalAntibodies@mail.org](mailto:Pediatric.MonoclonalAntibodies@mail.org).

Nan melele ko relaplak ikijen topic kein im elaplak-
